I just wanted to let you know what a GREAT job Holly Lynch did for me during the process of looking for and acquiring my home. I was under the gun to find a new home over the course of ONE WEEKEND! Holly listened to what I said I wanted and was able to read between the lines of stress and pick out the things I wanted but didn't necessarily verbalize. Within 10 hours, we had found my new home and were sitting with the builder to sign the formal offer. We moved into our home in less than 30 days. She is attentive, dynamic, hard-working, and great fun! I strongly recommend Holly to anyone who is looking for a home in the Upstate." T. A. - Greenville, SC

The Connie Rice team listened to my expectations & exceeded every one of them. I developed a sense of trust in them & the process & knew that they would look out for my best interests. I was very satisfied with Josephine. I like progress and assertiveness, and she had both. Thanks for working with me and selling my house in a timely manner. L. C. – Greenville, SC

Josephine is awesome & very dedicated to her work. She sacrificed a lot of family time to work with my schedule to look for houses. I don't think I could've done it without her. Josephine definitely deserves a pat on the back for putting up with my picky self! T. Z. – Simpsonville, South Carolina

Lisa was excellent - more than a realty professional! She truly cared about my situation, and she became a friend. Thanks so much! T. R. – Greer, SC

Since we were out-of-state buyers, your willingness to help with utilities, the final walk-through, resetting the thermostats and locking all windows and doors was a wonderful help. We definitely appreciate everything. Your diligence in researching to answer all of our questions in a timely manner was excellent. L. K. & C. K. – Greer, South Carolina

I appreciated the level of service we received. Lisa always delivered on what she said she would do, whether it was having our house on the Internet, having fliers made and sign put up - all done when she said it would. Most importantly, she told us that she could sell our home and she did! We've also had the opportunity to purchase through her, and that was a very positive experience as well. K. B. & M. B. – Greer, SC

All of the people I was involved with were outstanding to work with. I would like to give Lisa Murray a double kudos. She was a pleasure to work with from our 1st conversation. I know she went out of her way to do anything I asked her to do. M. H. – Pickens, South Carolina
